Technologies: *Visual Basic, ASP, MS SQL, Windows Server, IIS*

Activities:

- *develop websites that needed some dynamic behaviour*
- *IIS web-servers administration*

Education	**BSc in Computer Science**	
	Universidade Paulista, UNIP in *Sao Paulo, Brazil*	2001 - 2004
	Pontificia Universidade Catolica, PUCRS in *Porto Alegre, Brazil*	1999 - 2000
	Computer Networks Technician	
	Universidade Federal do Rio grande Sul, UFRGS in *Porto Alegre, Brazil*	1997 - 1998
	Data Processing Technician	
	Escola Tecnica Santo Inacio in *Porto Alegre, Brazil*	1993 - 1996

Additional	**Developing APIs** at *Mulesoft*	2018
Training	**Java with Struts2** at *Pluralsight*	2015
	ITIL Foundations at *ITXL, Brazil*	2014
	Training course PMP-PMI at *Euax, Brazil*	2013
	Agile Software Development at *University of Sao Paulo - USP, Brazil*	2008
	Ruby on Rails Conference at *University of Sao Paulo - USP, Brazil*	2008
	Java teaching assistant at *UNIP, Brazil*	2004
	MS SQL Server Administrator at *Microsoft Education Partner, Brazil*	1999

Languages	**Portuguese**: *Native*
	English: *Fluent*
	Spanish: *Basic*

Volunteering	**Half Marathon**	
	Raised funds running for a ELT youth charity in East London	2018
	Summer Camps in Ireland	
	Sports and recreational activities in community centers	2008
	Summer Camps in Israel and Palestine	
	Maintenance, sports and recreational activities in risky areas	2007
	Medical Trip Assistant in Cananeia, Brazil	
	Logistic support and recreational activities in risky areas	2006
